“I am super excited that we will be Pioneers in the world of soccer camps. Most every soccer camp that I have worked has been enjoyable, but our Academic ID/College Prep camp is unique. This camp demands active participation both on and off the pitch, and that falls in line with the expectations we have for our current players.”

— Brian Jaworski, head men’s soccer coach

“My experiences at Grinnell College taught me how to excel on the soccer field, but more importantly, they taught me how to overcome life’s many challenges. I can’t wait to teach these invaluable lessons to aspiring student-athletes.”

— Rockne DeCoster ’15, assistant men’s soccer coach
The Grinnell College Men’s Soccer Academic ID/College Prep Camp focuses on individual learning both on and off the field. Boys in grades 9-12 will train under the direction of the Grinnell College men’s soccer staff in a competitive environment; attend developmental seminars, presentations, and meetings that require active participation; and receive an in-depth, individual assessment — all of which will help them in their college search process.

Players will gain a genuine understanding of what it takes to compete and be successful at the NCAA Division III level. The competitive soccer experience is enhanced by Grinnell College’s first-class facilities. In addition to training sessions, there will be seven classroom sessions designed to prepare student-athletes for success in college and life, empowering them to make informed choices. At the conclusion of camp, the coaching staff will conduct an individual exit interview with every camper.

**Seminars Include:**

- **Grinnell College Admissions Presentation and Campus Tour**
  Led by Sarah White, senior associate director of admission
- **Grinnell College Faculty Roundtable Discussion**
  Faculty: Pablo Silva, Vida Praitis, Andy Hamilton
